popular lectures on moral subjects for the benefit of the males and females resorting to the mandiram. That this is a necessary adjunct of a place like the mandiram. There are no funds available in the Muz Dept to grant to the Srinivasa mandiram as prayed for.

There is no proposal such as is referred to on page 2 of the memorial to make any grant to the Veda Vedanta Vardhini Sabha at Melkote. The Muzrai Dept is not aware of any such Sabha though a Veda Vedanta Bodhini Patasala and a Ubhaya Vedanta Pravartana Sabha exist in Melkote. The former gets no grant from Govt at present though formerly it was getting 100 Rs a month from the funds of the Parakala Mutt. The latter gets 120 Rs per annum as a grant in aid. The Sabha conducts certain examinations & rewards successful candidates.

So far as the Srinivasa mandiram is concerned, it gets ~~&~~ grants amounting to 130 Rs ~~&~~ per mensem from the Muzrai, Endt. Dept & from the City ~~Municipality~~ municipality besides an annual tasdik of Rs 197-7-0 from Muzrai funds & 10 acres of land in the Yedatore Taluk.

From the above it will be seen that the Mandiram is very handsomely

To

His Highness Sri Krishnaraja
Wodayar Bahadur G C S I.,
Maharaja of Mysore,

May it please your Highness,

We the undersigned most respectfully beg to bring to your Highness' favourable consideration, that your Highness is acquainted with the sort of work done in the Srinivasa Mandiram, Bangalore, for the benefit of the public, both spiritual and temporal.

The Mandiram Library and the free Reading room with its Ladies' section, meets with the wants of those who are anxious to be informed of what is going on in the broad world, by means of newspapers and periodicals, and what has happened in the world, by means of books.

The services in the Temple teach

how

how men and women should conduct themselves at such services; but to most of them, those services are simply ceremonies whose origin and symbol they do not understand; and hence it is obscure to the general public.

The Trustees of the Mandiram cannot find means to supply a Competent teacher to impart religious instruction and deliver popular lectures on moral subjects to those who have an aptitude for such a knowledge. This is a necessary adjunct of a place like the Mandiram

We, therefore, beg that your Highness may be graciously pleased to grant a monthly Muzrai allowance from the State funds to meet this want, as such a grant of monthly allowance, we hear, is about to be sanctioned to the Sri Melukote Temple in connection with the defunct but now to be revived Veda-Vedanta-Vardhini Sabha.
